

Electronics Department

List of Lecture Notes

| Sr. No | Title | Authors | Topic | Qty | Publisher | Year |
|--------|--|----------------------------|--|-----|------------|------|
| 1 | Analog Electronics-II Module 1 Wide band amplifiers | S C D Roy | Analog Electronics-II | 4 | IIT delhi | 1997 |
| 2 | Analog Electronics II Module 2 Tuned Amplifiers | V C Prasad | Analog Electronics-II | 4 | IIT delhi | 1997 |
| 3 | Microprocessor Systems Module 1 Introduction to Microprocessors | S Chaudhury | Microprocessor systems | 5 | IIT delhi | 1997 |
| 4 | Microprocessor Systems Module 2 Introduction to 8086 | S Chaudhury | Microprocessor systems | 2 | IIT delhi | 1997 |
| 5 | Microprocessor Systems Module 4 8086 Programming Concepts-II | R Mulchandani & R K Patney | Microprocessor systems | 2 | IIT delhi | 1997 |
| 6 | Microprocessor Systems Module 5 Main memory Systems design | N C Kalra | Microprocessor systems | 1 | IIT delhi | 1997 |
| 7 | Parallel Processing Module 11 Parallel Databases | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 8 | Parallel Processing Module 12 SAMD Architecture Chips | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 9 | Parallel Processing Module 13 Anupam | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 10 | parallel Processing Module 4 Interconnection networks and related algorithms | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 11 | Parallel Processing Module 5 Vector Processors | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 12 | parallel processing Module 6 Shared Memory multiprocessor System | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 13 | Parallel Processing Moudle 7 Data Flow architectures Processing | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 14 | Parallel Processing Module8 Software for Parallel Processing | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 15 | Parallel Processing Module 9 Advanced Microprocessor Architectures | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 16 | parallel Processing Module 10 Param Hardware and Software | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 17 | parallel processing Module 1 Introduction to Parallel Processing | S S S P Rao | Parallel Processing | 3 | IIT Bombay | 1997 |
| 18 | Parallel Processing Module 2 parallel processing techniques | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 19 | Parallel Processing Module 3 Pipeline Processing | S S S P Rao | Parallel Processing | 4 | IIT Bombay | 1997 |
| 20 | Electronics Devices | B Bhaumik | | 3 | IIT Delhi | 1997 |
| 21 | Passive Components at HF Module 1 | D T Shahani | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 22 | HF Transistor Equivalent circuits and 2 port parameters Module 2 | D T Shahani | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 23 | High Frequency wideband amplifiers Module 3 | S C D Roy | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 24 | Tuned Amplifiers Module 4 | A K Agarwala | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 25 | RF Power Amplifiers Module 5 | A K Agarwala | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 26 | Amplifiers perforamnce measurements Module 6 | A K Agarwala | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 27 | Oscillators Module 7 | V Vinayak | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 28 | Mixers Module 8 | V Vinayak | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 29 | Filters Module 9 | G S Viswesvaran | High Frequency Electronics | 3 | IIT Delhi | 1997 |
| 30 | Noise Module 10 | S C D Roy | High Frequency Electronics | 2 | IIT Delhi | 1997 |
| 31 | grounding Techniques Module 2 | P V Ramakrishna | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 32 | shielding Techniques Module 3 | D Chadda | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |

| | | | | | | |
|----|---|-----------------------------|--|---|----------------|------|
| 33 | Cabling Techniques module 4 | D T Shahani | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 34 | Conducted EMI/EMC Module 5 | A K Agarwala | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 35 | Choice of Passive Components Module 6 | N K Jain | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 36 | EMC design Components Module 7 | A K Agarwala | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 37 | EMI Regulations (MIL-STD) Module 8 | S Satyamurthy | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 38 | EMI Measurements Technology Module 9 | S Satyamurthy | Electromagnetic interference and Compatibility | 2 | IIT Delhi | 1997 |
| 39 | analog input subsystems for data conversion Module 1 | C Rameshu | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 40 | digital to analog and analog to digital converters Module 2 | C Rameshu | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 41 | data Acquisition support components Module 3 | N S Dinesh | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 42 | Data Acquisition system with The PC Module 4 | H S Jamadagni | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 43 | Data Acquisition system with microcontrollers module 5 | H S Jamadagni | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 44 | Data Acquisition systems module 6 | N S Dinesh | Data Acquisition | 4 | IISC Bangalore | 1997 |
| 45 | Diode and Transistor Models Module 1 | D nagchoudhuri | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 46 | Transistor Biasing Module 2 | D T Shahani | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 47 | Small Signal Amplifiers Module 3 | D T Shahani | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 48 | High Frequency Response of amplifiers Module 4 | G S Viswesvaran | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 49 | Low frequency Response of Amplifiers Module 5 | G S Viswesvaran | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 50 | Multistage Amplifiers Module 6 | V C Prasad | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 51 | Feedback Amplifiers Module 7 | V C Prasad | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 52 | Differential Amplifiers Module 8 | S C D Roy | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 53 | Power Amplifiers Module 9 | V Chandra | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 54 | Ideal Operational Amplifiers And applications Module 10 | S C D Roy | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 55 | Diode waveshaping and sinewave generation Module 11 | R K Patney | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 56 | Multivirators and sawtooth generators Module 12 | R K Patney | Analog Electronics-I | 3 | IIT Delhi | 1997 |
| 57 | RC -Active filters Module 3 | Jayadeva | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 58 | Power supplies Module 4 | D T Shahani | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 59 | Digital to analog converters Module 5 | B bhaumik | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 60 | Analog to digital converters Module 6 | D nagchoudhuri | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 61 | Phase locked loops Module 7 | V Chandra | Analog Electronics-II | 3 | IIT Delhi | 1997 |
| 62 | Switced capacitor circuits Module 8 | S S Jamaur | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 63 | Multipliers Module 9 | G S Viswesvaran | Analog Electronics-II | 4 | IIT Delhi | 1997 |
| 64 | Basic Input-Output Interface Module 6 | S K SUD | Microprocessor systems | 2 | IIT Delhi | 1997 |
| 65 | IBM-PC Architecture Module 7 | S Chaudhury & VP | Microprocessor systems | 2 | IIT Delhi | 1997 |
| 66 | The 6800 Microprocessor Module 8 | I P singh | Microprocessor systems | 3 | IIT Delhi | 1997 |
| 67 | microcontrollers and their applications Module 9 | I P singh | Microprocessor systems | 3 | IIT Delhi | 1997 |
| 68 | system development Module 10 | R mulchandani & S Chaudhury | Microprocessor systems | 3 | IIT Delhi | 1997 |
| 69 | Laboratory Manual | ** | Microprocessor systems | 1 | IIT Delhi | 1997 |
| 70 | Number systems and codes Module 1 | N J Rao | Digital Systems | 4 | IISC Bangalore | 1997 |
| 71 | Theory of Combinational circuits Module 2 | N J Rao & wenfeng | Digital Systems | 4 | IISC Bangalore | 1997 |
| 72 | Digital logic familier Module 3 | N J Rao | Digital Systems | 3 | IISC Bangalore | 1997 |

| | | | | | | |
|-----|--|-------------|------------------------------------|---|----------------|------|
| 73 | Designing with combinational ICS Module 4 | N J Rao | Digital Systems | 4 | IISC Bangalore | 1997 |
| 74 | Design of Sequential Circuits Module 5 | N J Rao | Digital Systems | 4 | IISC Bangalore | 1997 |
| 75 | high frequency aspects of digital systems module 6 | N J Rao | Digital Systems | 4 | IISC Bangalore | 1997 |
| 76 | intoduction to language processing Module 1 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 77 | Lexical Analysis Module 2 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 78 | Syntax analysis Module 3 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 79 | Error Analysis module 4 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 80 | Static semantics and intermediate code generation module 5 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 81 | Run-time environments Module 6 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 82 | Code generation Module 7 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 83 | Code Optimisation Module 8 | | Compiler construction | 1 | IIT Bombay | 1997 |
| 84 | Computer system peripherals Module 2 | S S S P Rao | Computer Periperals and interfaces | 1 | IIT Bombay | 1997 |
| 85 | Serial data communication Module 3 | S S S P Rao | Computer Periperals and interfaces | 1 | IIT Bombay | 1997 |
| 86 | Parallel Data communication Module 4 | S S S P Rao | Computer Periperals and interfaces | 1 | IIT Bombay | 1997 |
| 87 | Input/Output drives software aspects Module 5 | V Kulkarni | Computer Periperals and interfaces | 1 | IIT Bombay | 1997 |
| 88 | Future trends in computer peripherals 7 | S S S P Rao | Computer Periperals and interfaces | 1 | IIT Bombay | 1997 |
| 89 | First steps towards computer graphics Module 1 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 90 | Basic Raster Graphics Module 2 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 91 | Geometric Transformation Module 3 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 92 | Graphics in 3D: an introduction module 4 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 93 | Curves and surfaces Module 5 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 94 | Visibility Module 6 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 95 | Advanced topocs Module 7 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 96 | User Interface Module 8 | S Chandaran | Computer Graphics | 2 | IIT Bombay | 1997 |
| 97 | Elementary Logic Module 1 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 98 | Elemenary Prolog Module 2 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 99 | Logic & Logic Programming Module 3 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 100 | Advanced Prolog Module 4 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 101 | Compiling Prolog Module 5 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 102 | Advanced Logic Module 6 | S Ramesh | Symbolic Logic & logic programming | 2 | IIT Bombay | 1997 |
| 103 | DBMS Objective and architecture Module 1 | | Database management systems | 2 | IIT Bombay | 1997 |
| 104 | Introduction to ER Model Module 2 | | Database management systems | 3 | IIT Bombay | 1997 |
| 105 | Introduction to relational Model Module3 | | Database management systems | 3 | IIT Bombay | 1997 |
| 106 | Conceptual database design Module 4 | | Database management systems | 3 | IIT Bombay | 1997 |
| 107 | Theory of ralational database Module 5 | | Database management systems | 3 | IIT Bombay | 1997 |
| 108 | Query Languages Module 6 | | Database management systems | 2 | IIT Bombay | 1997 |
| 109 | Theory of Normalisation Module 7 | | Database management systems | 3 | IIT Bombay | 1997 |
| 110 | Host Language interface and 4gl's Module 8 | | Database management systems | 3 | IIT Bombay | 1997 |
| 111 | Physical data structures Module 9 | | Database management systems | 3 | IIT Bombay | 1997 |
| 112 | Network and hierarchical model review Module 10 | | Database management systems | 3 | IIT Bombay | 1997 |

| | | | | | | |
|-----|--|-----------------------------|--|----|-----------------------|------|
| 113 | database system architecture Module 11 | | Database management systems | 3 | IIT Bombay | 1997 |
| 114 | Query processing and optimization Module 12 | | Database management systems | 3 | IIT Bombay | 1997 |
| 115 | transaction management Module 13 | | Database management systems | 3 | IIT Bombay | 1997 |
| 116 | Recent Advances in database technology Module 14 | | Database management systems | 2 | IIT Bombay | 1997 |
| 117 | Assemblers Module 1 | S Chattopadhyay | System Programming | 4 | Jadavpur University | 1997 |
| 118 | Macroprocessors Module 2 | U K Sarkar | System Programming | 4 | Jadavpur University | 1997 |
| 119 | Loaders and linkers Module 3 | S Chattopadhyay | System Programming | 4 | Jadavpur University | 1997 |
| 120 | Editors Module 4 | R Dattagupta | System Programming | 4 | Jadavpur University | 1997 |
| 121 | debuggers Module 5 | R Dattagupta | System Programming | 4 | Jadavpur University | 1997 |
| 122 | Introduction to compilers Module 6 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 123 | Lexical analysis module 7 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 124 | Formal grammars and their applications to compilers module 8 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 125 | Parsing Module 9 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 126 | Translation and code generation module 10 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 127 | Storage management, error management and code optimization module 11 | B B Bhattacharya | System Programming | 4 | Jadavpur University | 1997 |
| 128 | Introduction to operating systems Module 12 | B P Sinha | System Programming | 4 | Jadavpur University | 1997 |
| 129 | Processor Management Module 13 | B P Sinha | System Programming | 4 | Jadavpur University | 1997 |
| 130 | Memory Management Module 14 | B P Sinha | System Programming | 4 | Jadavpur University | 1997 |
| 131 | Device management Module 15 | B P Sinha | System Programming | 4 | Jadavpur University | 1997 |
| 132 | Information management Module 16 | B P Sinha | System Programming | 4 | Jadavpur University | 1997 |
| 133 | Mobile Computing | Shridhar Iyer | Mobile Computing | 1 | IIT Bombay | 2005 |
| 134 | Art & Science of VLSI microchip Design | Vemuri Ranga | VLSI System Design | 1 | NIT Warangal | 1999 |
| 135 | AAGOMANI | | Embedded systems & DSP | 1 | IIT Bombay | 2004 |
| 136 | AAGOMANI | | CDMA | 1 | IIT Bombay | 2005 |
| 137 | Gate 2009 | | Analog Electronics | 1 | Vani Inst. Bangalore | 2009 |
| 138 | Gate 2009 | | Communication System | 1 | Vani Inst. Bangalore | 2009 |
| 139 | Gate 2009 | | Mathematics | 1 | Vani Inst. Bangalore | 2009 |
| 140 | Gate 2009 | | EMFT | 1 | Vani Inst. Bangalore | 2009 |
| 141 | Course Handbook | Prof. Sridhar Iyer | Mobile Computing | 1 | IIT, Bombay | 2005 |
| 142 | Tutorial on Microchip design VLSI | Prof. Vemuri Ranga | VLSI System Design | 1 | REC Warangal | 1999 |
| 143 | Proceedings of STTP on MATLAB | M. D. Desai and J. B. Patel | Analysis and Simulation of Electrical, Electronics a | 1 | Nirma Inst. Ahmedabad | 2003 |
| 144 | Competition Success Review | S. K. Sachdeva | | 1 | CSR Pvt Ltd. | 2000 |
| 145 | Short Notes on Selected MICROWAVE ANTENNAS | B R Taunk | Microwave | 77 | SVNIT, Surat | 2004 |
